LEGENDS ANNUAL DINNER AND DANCE

The Grand Beach Legends Annual Dinner and Dance was held Saturday, August 27th. If you weren't there, you missed a great evening of dining, dancing, and fun. The table settings were great, complete with white tablecloths, porcelain dishes, table centres, candles, low lighting and so on. Music was supplied by Maestro Mario and there were some great door prizes including a \$250 gift certificate from St. Vital Centre, a night in the Grande Suite at the South Beach Casino, 4 rounds of golf at Grand Pines Golf, 4 rounds of golf at Rossmere Golf and Country Club, and other donations as well (a complete list of donors is recorded below, and our special thanks go out to each of them for supporting the Legend's Dinner). Those in attendance raved about the meal catered by Christine Braunen of the Station House Restaurant who went well out of her way to create a very special meal for us. Christine promised us an absolutely wonderful dinner, and that's exactly what it was.

Our Legend Award for 2016/17 went to Sandra Marriott-Silver. Sandra, a GBCOA Board Member for 12 years, served on our Board in the capacity of Past President, President, Vice-President, Secretary, Medical Clinic Coordinator and Sun Run Race Director. Sandra is most proud of her coordination of the Medical Clinic and as Race Director of the Sun Run. Sandra raised over \$40,000 through the Sun Run, which helped to finance the revival of our Medical Clinic and related medical programs. As a result of her efforts, the Clinic has grown into the fully-staffed seasonal Clinic it is today, complete with a waiting list of Nurse Practitioners and Physicians willing to volunteer their time. In earlier years, Sandra (who is a Nurse Practitioner) even worked at the Clinic herself, giving up her own holiday time to fill in for any medical personnel vacancies. Sandra's accomplishments have benefited the people of Grand Beach and area, as well as visitors from all over, and will certainly have a long lasting beneficial impact, as well as enhance our great Grand Beach life!

President's Award 2016

At the Legends Dinner, Betty, Cathy and Stewart Clark were presented with the President's Award for their dedication and hard work for the betterment of the club. The Clark family have been longtime, behind the scenes, volunteer contributors to the Community Club, including the bake sale, kids crafts and Tye Dye, to name only a few of the many things they did to ensure activities at the club were a success.

HIGHLIGHTS FROM THE GBCOA AGM

The Annual General Meeting was held on Sunday August 14th, 2016. Ninety-One cabin owners were in attendance. The 2015 financials presented by treasurer, Wayne Betker, were approved. The year of 2015 was a breakeven year for the GBCOA and our finances continue to be in a healthy state. Dave Rogne presented the President's Report, which included the report from Parks. The key points were: the annual meeting between GBCOA Executive and the Director of Parks and staff to be held at Grand Beach in late August or early September; the Sewage Lagoon design and new cell construction in final design; the Water Treatment Plant upgrades also in final design; the tennis courts being resurfaced at the end of August plus lines for two pickleball courts will be added in the basketball area; Pavilion #1 at the east end of the boardwalk (the old concession) will be torn down and turned into a covered picnic area with epoxy concrete slab including the bathrooms; new counters and sinks will be installed in these bathrooms and the entire building will be painted inside and out; Parks provided 65 collapsible recycle bins that were distributed to cottage owners in attendance. Parks has ordered enough bins to have one for every cottage. The balance of these bins will be distributed at the next AGM. This year, over 75 Cottage Owners Feedback Forms were received and will be reviewed with Parks.

BIKE RALLY 2016

The Bike Rally 2016 Committee would like to thank all of the people who helped with the event! This event was successful because of our fabulous sponsors, pit stop hosts and various other helpers. We cannot thank you enough!

Many thanks to all of the participants! We had a great time watching all of you at the different stations – especially at the Hungry Hippos game!

Congratulations to Team Mouse Trap who 'won' the honour of hosting the Bike Rally in 2017!
